

JESSIE HILL ROBERSON, Vice Chairman, Defense Nuclear Facilities Safety Board

Ms. Roberson has almost 30 years of experience in the nuclear field, with in-depth experience in low level waste management, environmental restoration, reactor operations and project management. This is Ms. Roberson's second appointment to the Defense Nuclear Facilities Safety Board. Prior to her first appointment to the Board, Ms. Roberson served with the Department of Energy (DOE) in a variety of responsible and challenging positions. In 1996 she became the Manager of DOE's Rocky Flats Field Office at the Rocky Flats Environmental Technology Site in Colorado, with the responsibility for integration and performance of all environmental cleanup activities on the Site. She served with distinction in this position until December 1999. In her ten years with the Department of Energy, she has held numerous technical and managerial positions at DOE's Rocky Flats Environmental Technology Site and the Savannah River Site in Aiken, South Carolina, including environmental cleanup, waste management, safeguards and security, as well as nuclear reactors and weapons.
