

U.S. Chemical Safety and Hazard Investigation Board

Office of General Counsel

Memorandum

To: Notation Item Record
From: Christopher Warner *Ch Warner*
Subject: Board Action Report – Notation Item 596
Date: October 9, 2008

On November 9, 2007, the Board approved Notation Item 596, thereby amending Board Order 001 by adding the following language as the last sentence to the first paragraph of section 8.c. of Order 001: “At a Board Member’s request, his or her dissenting statement to an Incident Investigation Report shall be published on the CSB’s web site.” By approving this item, the Board also authorized the General Counsel to correct any internal references or citations in Order 001.

A Board Action Report was not prepared contemporaneously with the approval of Notation Item 596. Therefore, I have prepared this report to document and confirm, based upon a review of the original notation votes, that this item was approved in accordance with Board Order 001.
