Memorandum

Subject: Board Action Report – Notation Items 250 and 250A

Date: August 28, 2003

On August 10, 2003, the Board approved Notation Item 250A, thereby adopting certain technical revisions to Order 017, *Occupational Safety and Health Program*. This expanded version of Order 017 was originally adopted on June 3, 2003, by Notation Item 250. The technical revisions were suggested after that vote, thus requiring this second notation item. Order 017 may now be updated to incorporate these revisions, and the order will then be ready for implementation as it prescribes. Voting summaries for Notation Items 250 and 250A are included in this Board Action report.
