

U.S. Chemical Safety and Hazard Investigation Board

Office of General Counsel

Memorandum

To: Chairperson and Board Members

From: Christopher Warner 

Cc: Manuel Gomez
Daniel Horowitz
Susan Casper

Subject: Board Action Report - Notation Item 356

Date: May 2, 2005

On April 20, 2005, the Board approved Notation Item 356, thereby designating recommendation 2003-11-I-KY-R9 (to the Risk and Insurance Management Society) (from the D.D. Williamson investigation) with the status of "Closed-Acceptable Action." Board Member editorial comments have been forwarded to the Director of Recommendations.
