

**United States Chemical Safety and Hazard
Investigation Board**

Board Action Report

Notation No: 006 – Board Directive #003. Whereas the United States Chemical Safety and Hazard Investigation Board's Office of General Counsel has delivered on August 30, 1999, a memorandum on Board Governance and the responsibilities and authorities of various members of the Board, and there is a difference of opinion on responsibilities and authority between a voting quorum of the Board and the Board Chair, we direct the Chairman to transmit a copy of the memorandum and background documents by November 9, 1999, requesting that the Department of Justice render an opinion on the legal correctness of that memorandum. Furthermore, the Chairman is directed to provide copies of the letter of transmittal to all Board members.
