U.S. Chemical Safety and Hazard Investigation Board

SENIOR ADVISOR TO THE CHAIRMAN

Bruce Walker

Bruce Walker is the Senior Advisor to the Chairman of the U.S. Chemical Safety and Hazard Investigation Board (CSB), joining the CSB in November of 2020. He provides strategic management regarding CSB policy matters, intergovernmental relationships, and broadening existing and new stakeholder engagement.

Prior to joining the CSB, Mr. Walker served as an executive within the aerospace and defense industry, specializing in government relations and homeland security.

Mr. Walker is a graduate of American University and holds a B.S. in Chemistry and Mathematics.
