Subject: Support for NASTTPO comments
Attachments: CSB safety culture.pdf

As the Co-Chair and on behalf of the Colorado Emergency Planning Commission, we support the comments on the "Most Wanted List" Approach that the National Association of State Title Three Public Officials (NASTTPO) submitted to the Chemical Safety Board on July 22, 2013.

If you have any questions, please contact me.

Thanks,

Dave Hard, Director
Colorado Department of Public Safety
