Subject: Notation Items 917 – 923

Attached for your review and vote are Notation Items 917 through 923. These items provide for the approval of status changes to several recommendations, based upon evaluations of recipient responses prepared by the Office of Recommendations. These response evaluations and proposed status changes have been reviewed and approved by the Director of Recommendations.

You may direct any questions about these items to the Office of Recommendations staff members named in the evaluation reports, which are attached to each item. Additional background information and documentation for each of the recommendations covered by these notation items is posted on the G Drive at: G:\Recommendations\Recommendations for Board Vote\2012-03-13. For your convenience, you will also receive an e-mail with the links to the background information and documentation. Please note that your computer must be connected to the CSB network either at the office or via VPN in order to access these files.

Please return your completed vote sheets to Chris Kirkpatrick no later than the close of business on April 10, 2012. Thank you for your attention to these items.

Subject: Status Change – Recommendations to Honeywell International, Inc. Baton Rouge Facility (2003-13-I-LA-R8 & R9) from the Honeywell Investigation (2003-13-I-LA)

Whereas,

1. The Board is authorized by 42 U.S.C. § 7412(r)(6)(C)(i) to “investigate . . . and report to the public in writing the facts, conditions, and circumstances and the cause or probable cause of any accidental release resulting in a fatality, serious injury or substantial property damages;”
2. The Board is further authorized by 42 U.S. C. § 7412(r)(6)(C)(ii) to “issue periodic reports to the Congress, Federal, State and local agencies, including the Environmental Protection Agency and the Occupational Safety and Health Administration, concerned with the safety of chemical production, processing, handling and storage, and other interested persons recommending measures to reduce the likelihood or the consequences of accidental releases and proposing corrective steps to make chemical production, processing, handling and storage as safe and free from risk of injury as is possible;”
3. The Board has issued such recommendations to the **Honeywell International, Inc., Baton Rouge Facility** based upon the findings of the Board’s Honeywell investigation;
4. Consistent with Order 022, the Board is to vote on changes to the status of recommendations;
5. The staff of the Office of Recommendations proposes that the status of the above named recommendations should be changed, as described in the attached Recommendation Response Evaluation.
