### Board Action Report

Notation No.: 147

Voting Period: Urgent Notation Item January 17, 2002 – January 25, 2002, but votes are requested as soon as possible

Subject: Adoption of Administrative Determination Supporting Payment of CSB Membership Dues to the Center for Chemical Process Safety

Whereas,

1. Membership by the CSB in the American Institute of Chemical Engineers (AIChE) Center for Chemical Process Safety (CCPS) would provide a range of unique benefits directly to the CSB;
2. Membership in CCPS requires the payment of dues from the appropriated funds of the CSB; and
3. The payment of membership dues by an agency from its appropriated funds requires an administrative determination that such payment is an expense related and necessary to carrying out the authorized purpose of the agency for which the funds were appropriated;

Therefore, pursuant to its authority under 42 U.S.C. § 7412(r)(6)(N), the Board hereby votes to adopt the attached administrative determination, which justifies the payment of dues by the CSB for the agency's membership in CCPS.
