Subject: Board Action Report – Notation Item 826A

Date: May 9, 2011

On February 2, 2011, Notation Item 826A was calendared. This item would have resulted in the adoption of a revised version of the CSB Fiscal Year 2011 Action Plan. The item also would have rescinded Notation Item 826, so that it would no longer be calendared. Comments submitted by Member Wright are reproduced below.

**Comments submitted by Member Wright:**

“I have voted to Calendar this notation item as I still have questions about various parts of the action plan even though my January 17, 2011 vote to Calendar NI # 826 resulted in my receiving answers to questions I had previously submitted in Nov 2010 regarding this plan. My vote to calendar the previous version (NI # 826) never resulted in a public meeting, per Board Order # 1, but rather simply in a revised version being sent out for consideration. I request a board discussion on this item and clarification of the validity of Board Order # 1 as it is currently written.”
